Performance Evidence

Evidence of the ability to:

- plan and organise workload with the assistance of others
- complete tasks, using appropriate digital tools, within specified timelines seeking assistance as required
- use effective communication skills to seek assistance or feedback from others
- seek and use feedback from others to monitor and improve work performance.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- outline the organisational standards, policies and procedures that relate to own work role
- explain the relationship between an individual’s work goals and plans and the organisation’s goals and plans
- list some factors that can affect the ability to get work done, and explain the action to take
- explain how to plan and manage time.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the industry capability – workplace effectiveness field of work and include access to:

- office equipment and resources
- workplace documentation
- case studies and, where possible, real situations
- interaction with others.
Assessors must satisfy NVR/AQTF assessor requirements.
