# Assessment Requirements for BSBWRK411 Support employee and industrial relations procedures

## Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

## Performance Evidence

Evidence of the ability to:

- locate information required to identify relevant legislation, agreements, policies and procedures in relation to industrial matters
- use effective communication techniques to support the resolution of workplace grievances and conflicts
- provide accurate written and oral advice about industrial matters
- use strategies to monitor and gather feedback on the implementation of industrial relations policies and procedures.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- outline relevant industrial relations policies and procedures
- summarise grievance resolution policy and procedures
- describe relevant legislation, codes of practice and national standards
- describe the relevant state/territory and federal industrial relations systems
- identify sources of expert advice.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the workforce development – workplace relations field of work and include access to:

- relevant legislation, regulations, standards and codes
- relevant workplace policies and procedures

- case studies and, where possible, real situations
- interaction with others.

Assessors must satisfy NVR/AQTF assessor requirements.
