**Assessment Requirements for BSBXBD408
Implement and review procedures for
managing big data**

Release: 1

Assessment Requirements for BSBXBD408 Implement and review procedures for managing big data

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package 6.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- implement procedures for managing two different sets of big data, one of which must be transactional and one non-transactional
- review and report on effectiveness of the implemented procedures.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- organisational policies, procedures and protocols to implement and review workplace procedures for managing big data, including for:
 - communicating to and seeking feedback from required stakeholders
 - updating big data procedures
 - storing records associated with big data procedures
 - reporting on implemented procedures
- key features of strategies to implement procedures for managing big data
- techniques for stakeholder management
- trends within big data management
- change management techniques to facilitate implementation of procedures.

Assessment Conditions

Skills must be assessed in a workplace or simulated environment where conditions are typical of a work environment that uses big data.

Access is required to:

- information and data sources to inform implementation and review of procedures for managing big data

- information and telecommunications equipment required to implement and review procedures for managing big data
- industry standards, organisational procedures, and legislative requirements required to demonstrate the performance evidence.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
