**Required Skills and Knowledge**

Not applicable.
Evidence Guide

The Evidence Guide identifies the critical aspects, underpinning knowledge and skills to be demonstrated to confirm competency for this unit. This is an integral part of the assessment of competency and should be read in conjunction with the Range Statement.

Critical Aspects of Evidence

Application of organisations policy and procedures for financial transactions in regard to petty cash, invoicing and bank processes

Accurate processing of petty cash claims and vouchers including identification of irregularities or errors

Accurate preparing and processing of banking documents including identification of irregularities or errors

Accurate reconciliation and payment of invoices for creditors and debtors including identification of irregularities or errors

The recording and reporting of transactions

Underpinning Knowledge*

* At this level the learner must demonstrate basic operational knowledge in a moderate range of areas.

The relevant legislation from all levels of government that affects business operation, especially in regard to Occupational Health and Safety and environmental issues, equal opportunity, industrial relations and anti-discrimination

Understanding procedures for cash and non-cash handling

Knowledge of organisational policies and procedures relating to petty cash, banking, security, invoicing procedures relating to debtors and creditors

Understanding banking institution's guidelines

Knowledge of methods and techniques for simple calculations

Methods of presenting financial data

Underpinning Skills

Literacy skills to read and interpret financial information; maintain records and banking documents

Numeracy skills for checking accuracy of calculations and reconciliations of accounts

Proofreading skills for maintaining accuracy of information

Communication skills including reporting of irregularities and errors

Ability to relate to people from a range of social, cultural and ethnic backgrounds and physical and mental abilities

Resource Implications

The learner and trainer should have access to appropriate documentation and resources normally used in the workplace

Consistency of Performance

In order to achieve consistency of performance, evidence should be collected over a set period of time which is sufficient to include dealings with an appropriate range and variety of situations

Context/s of Assessment

Competency is demonstrated by performance of all stated criteria, including paying particular attention to the critical aspects and the knowledge and skills elaborated in the Evidence Guide, and within the scope as defined by the Range Statement

Assessment must take account of the endorsed assessment guidelines in the Business Services Training Package
Assessment of performance requirements in this unit should be undertaken in an actual workplace or simulated environment. Assessment should reinforce the integration of the key competencies and the Business Services Common Competencies for the particular AQF Level. Refer to the Key Competency Levels at the end of this unit.

**Key Competency Levels**

**Collecting, analysing and organising information** (Level 2) - to process financial documentation

**Communicating ideas and information** (Level 1) - with members of the work team

**Planning and organising activities** (Level 1) - for payment of invoices etc

**Working with teams and others** (Level 1) - in completing scheduled tasks

**Using mathematical ideas and techniques** (Level 2) - in processing business transactions

**Solving problems** (Level 1) - to identify irregularities and errors

**Using technology** (Level 1) - to complete allocated tasks

Please refer to the Assessment Guidelines for advice on how to use the Key Competencies.

The Evidence Guide identifies the critical aspects, underpinning knowledge and skills to be demonstrated to confirm competency for this unit. This is an integral part of the assessment of competency and should be read in conjunction with the Range Statement.

**Critical Aspects of Evidence**

- Application of organisations policy and procedures for financial transactions in regard to petty cash, invoicing and bank processes
- Accurate processing of petty cash claims and vouchers including identification of irregularities or errors
- Accurate preparing and processing of banking documents including identification of irregularities or errors
- Accurate reconciliation and payment of invoices for creditors and debtors including identification of irregularities or errors
- The recording and reporting of transactions
