Description

Descriptor

This qualification reflects the role of skilled operators who apply a broad range of competencies in varied work contexts, using some discretion and judgement and relevant theoretical knowledge. They may provide technical advice and support to a team. This qualification is for people whose main job is not dedicated to OHS but who take it on as a voluntary duty.

Job Roles

- Health and Safety Assistant
- Health and Safety Committee Member
- Health and Safety Representative.
-

Pathways Information

Pathways into the qualification

Preferred pathways for candidates considering this qualification include:

- BSB20107 Certificate II in Business or other relevant qualification/s

OR

- with vocational experience working in occupational health and safety roles without a formal business qualification. This breadth of expertise would equate to the competencies required to undertake this qualification.

Pathways from the qualification

After achieving this qualification candidates may undertake:

- BSB41407 Certificate IV in Occupational Health and Safety.
-

Licensing/Regulatory Information

There is no direct link between this qualification and licensing, legislative and/or regulatory requirements. However, where required, a unit of competency will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit.

Entry Requirements

There are no entry requirements for this qualification.
