| Release 2 | This version was released in CHC Community Services Training Package release 3.0.  
Correction of mapping merged CHCAC416A and CHCAC319A.  
Equivalent outcome. |
| Release 1 | This version was released in CHC Community Services Training Package release 2.0 and meets the requirements of the 2012 Standards for Training Packages.  
Merged CHCAC406A and CHCAC319A. Significant change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence. |

Application

This unit describes the skills and knowledge required to provide person-centred care and support to people living with dementia. It involves following and contributing to an established individual plan.

This unit applies to workers in a residential or community context, including family homes. Work performed requires some discretion and judgement and may be carried out under regular direct or indirect supervision.

_The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice._

Elements and Performance Criteria
