**Release: 1**

# Assessment Requirements for CHCCCS019 Recognise and respond to crisis situations

## Modification History

Release	Comments
Release 1	<p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant change to the elements and performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.</p>

## Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- been involved in crisis intervention activities on at least 3 occasions

## Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- legal and ethical consideration relevant to recognising and responding to crisis situations including:
  - duty of care
  - privacy, confidentiality and disclosure
  - work role boundaries, responsibilities and limitations
  - mandatory reporting
  - codes of practice
- organisation policies and procedures for responding to crisis situations
- types of crisis situations, including:
  - potential suicide
  - threats to harm others
  - self harm
  - received threats

- abuse, including child abuse
- domestic and family violence
- common indicators or signs of crisis in other people
- personal values, beliefs and attitudes that facilitate or impede crisis care:
  - assumptions about who may be at risk
  - common notions about crisis situations
- principles and practices of crisis intervention:
  - critical incident procedures
  - facilitating emergency interventions
  - addressing safety concerns
- referral options and procedures for accessing services
- principles and practices of self-care and supervision

## Assessment Conditions

Skills must be demonstrated in a crisis support workplace or in a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including organisation policies, procedures and resources
- modelling typical workplace conditions and contingencies, including:
  - interactions with people from a range of diverse backgrounds
  - links to other services
  - realistic, in-depth, validated industry scenarios and simulations of crisis situations

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
