Assessment Requirements for CHCCDE001 Support participative planning processes

Release: 1

Assessment Requirements for CHCCDE001 Support participative planning processes

Modification History

Release	Comments
Release 1	<p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant changes to performance criteria</p> <p>New evidence requirements for assessment including volume and frequency requirements</p>

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- contributed to the development of at least 1 community activity plan in collaboration with key people and groups, including supported participation of key stakeholders in planning activities on at least 3 occasions

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- relevant legislation and public policies
- social, community and youth issues
- contemporary economics and politics and their impact on community development
- community development as a social change strategy, including:
 - traditional community development approaches:
 - needs-based
 - gap-based
- principles and practices of contemporary community development approaches and techniques for mobilisation in relation to:
 - asset-based (ABCD)
 - rights-based
- funding sources and their policies and strategies for encouraging community input and participation

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
