Assessment Requirements for CHCCDE004 Implement participation and engagement strategies

Release: 2

Assessment Requirements for CHCCDE004 Implement participation and engagement strategies

Modification History

Release	Comments
Release 2	This version was released in *CHC Community Services Training Package release 3.0.* Amended modification history and mapping. Equivalent outcome.
Release 1	This version was released in *CHC Community Services Training Package release 2.0* and meets the requirements of the 2012 Standards for Training Packages. Significant changes to performance criteria. New evidence requirements for assessment including volume and frequency requirements. Significant changes to knowledge evidence.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- researched individual and group issues of at least 1 specific community
- engaged effectively with a range of individuals from at least 1 specific community group, validated by community acceptance over at least 3 different occasions

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- social, political, cultural and historical issues that affect or are relevant to specific communities and groups
- models of society
- critique of socialisation theory
- specific information relating to client community group, including:
    - group composition
    - specific community and group structures
    - practices and values
    - cultural preferences

- - social issues relevant to the specific group
  - health issues relevant to the specific group
  - relevant networks, people and stakeholders
  - specific communication protocols and practices
  - strength, talents and abilities of the community
  - impact of community values and structures on individuals
- culture and diversity
- family and power
- deviance
- identity theories

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
