Assessment Requirements for CHCCDE008 Support community action

Release: 1

Assessment Requirements for CHCCDE008 Support community action

Modification History

| Release | Comments |
|-----------|--|
| Release 1 | <p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant changes to performance criteria</p> <p>New evidence requirements for assessment including volume and frequency requirements</p> <p>Significant changes to knowledge evidence</p> |

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- Supported at least 1 community to identify their rights and represent their own priorities and aspirations through social and public action, including motivating individuals and/or the groups to work cooperatively

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- relevant legislation and public policies
- social, community and youth issues
- social structures and systems in the community
- current social policy and its implementation programs
- components of strategic planning
- decision-making systems and leadership
- community development principles relevant to social action, public processes and assets based approaches
- community engagement principles
- 'community' as ideological tool
- social movements
- social action

- service promotion
- general and cultural issues relevant to specific client community group

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
