Implement community development
strategies**

Release: 1

Assessment Requirements for CHCCDE011 Implement community development strategies

Modification History

Release	Comments
Release 1	<p>This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Significant changes to performance criteria</p> <p>New evidence requirements for assessment including volume and frequency requirements</p> <p>Significant changes to knowledge evidence</p>

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has:

- conducted research and analysis of at least 1 community priority and identified the structures and systems contributing to the concern
- engaged collaboratively with at least 1 community group to develop strategies to address their priorities
- supported at least 3 activities to facilitate community participation
- developed and maintained public processes to address common issues

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- relevant legislation and public policies
- community processes and protocols
- funding sources and their policies and strategies for encouraging community input and participation
- principles and practices of community development work
- traditional community development approaches:
 - needs-based
 - gap-based

- principles and practices of contemporary community development approaches and techniques for mobilisation in relation to:
 - asset-based (ABCD)
 - rights-based
- representation, lobbying and advocacy
- power and conflict management
- Principles of networking and the role of partnerships
- policies and processes for data collection and analysis
- key methods of information dissemination and the benefits of use
- general and cultural issues relating to specific client community groups
- group processes

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modeling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
