Application

This unit describes the skills and knowledge required to work with individuals, groups and the community to identify issues and develop cooperative processes to facilitate change.

This unit applies to workers in both health and community sectors and/or a community development work context. Workers at this level will be part of a professional team and have the responsibility of supervision of others.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.

Elements and Performance Criteria

ELEMENT

PERFORMANCE CRITERIA

Elements define the essential outcomes

Performance criteria describe the performance needed to demonstrate achievement of the element.
