CHCCDE019 Work within a community development framework

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to work within a community development framework.

A community development framework may include a range of methods designed to strengthen and develop communities by enhancing individual and group capacity to confidently engage with community structures and to address problems and issues.

This unit applies to workers using a community development approach to carry out work in the health, community services or other sectors. Workers at this level are part of a professional team and under the guidance of a supervisor.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
