CHCCDE023 Develop and deliver community projects

Release: 1

CHCCDE023 Develop and deliver community projects

Modification History

Not applicable.

Application

This unit describes the performance outcomes, skills and knowledge required to work with the community to develop and deliver community projects on relevant issues.

This unit applies to workers using a community development approach to carry out work in the health, community services or other sectors. Workers at this level are part of a professional team and under the guidance of a supervisor.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Community Development

Unit Sector

Community Services

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes	*Performance criteria describe the performance needed to demonstrate achievement of the element.*
1. Develop a community project plan.	1.1. Develop project plan to address issues of concern for target groups through participation of key stakeholders and organisations, identifying priorities and desired outcomes.
	1.2. Identify and secure human, financial and physical resources for implementation of plan.
	1.3. Develop strategies and educational resources and materials applicable to the context, issue and audience.
	1.4. Prepare promotional materials in line with organisational

			policies and procedures.
2.	Deliver the community project.	2.1.	Implement strategies and distribute educational and promotional resources and materials to ensure maximum effectiveness for delivery of the project.
		2.2.	Implement strategies to encourage participation in the project and the expression of views regarding its process and content.
		2.3.	Make project adjustments as required to meet the needs of specific groups.
		2.4.	Seek feedback on the community project from participants according to organisational policies and procedures.
3.	Review the community project.	3.1.	Evaluate the community project against the planned goals and objectives in accordance with organisational policies and procedures.
		3.2.	Discuss outcomes of project evaluations with key stakeholders and organisations to determine future directions.
		3.3.	Document community project outcomes and act on them according to organisational policies and procedures.

Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Unit Mapping Information

Supersedes and is equivalent to CHCCDE007 Develop and provide community projects.
