**Release: 1**

## CHCCDE024 Support community action

### Modification History

Not applicable.

### Application

This unit describes the performance outcomes, skills and knowledge required to support the community to represent their own priorities and aspirations through social and public action.

This unit applies to workers using a community development approach to carry out work in the health, community services or other sectors. Workers at this level are part of a professional team and have the responsibility of supervision of others.

The skills in this unit must be applied in accordance with Commonwealth and State or Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.
