Assessment Requirements for CHCCDE025 Develop and support community leadership

Release: 1

Assessment Requirements for CHCCDE025 Develop and support community leadership

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- develop and implement at least one learning program and one activity, aimed to support the development of leadership skills
- provide support for community leadership structures on at least three different occasions.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- Commonwealth, State or Territory legislation and public policies impacting on community development processes
- social, community and youth issues impacting the local community
- concepts of effective leadership
- cultural awareness protocols of the community
- support mechanisms and structures in relevant communities and cultural contexts
- instructional design principles and options relating to learning program design and structure
- availability and types of skills development resources, learning materials and pre-developed learning activities in the local community
- methodology relating to developing and documenting new learning activities and related learning materials
- delivery modes and methods.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment that reflects workplace conditions.

Assessment must ensure:

- access to facilities, equipment and resources that reflect real working conditions and model industry operating conditions and contingencies
- access to Commonwealth, State or Territory legislation and public policies impacting on community development processes
- opportunities for engagement with community stakeholders.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
