Application

This unit describes the skills and knowledge required to coordinate multiple service requirements for clients with complex needs within a case management framework.

Workers at this level work under supervision within established guidelines but take on a team leadership role in the coordination of services and service providers.

This unit applies to work in a range of health and community services contexts.

*The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.*

Elements and Performance Criteria

**ELEMENT**

**PERFORMANCE CRITERIA**

*Elements define the essential outcomes.*

*Performance criteria specify the level of performance needed to demonstrate achievement of the element.*

1. Establish coordination function

1.1 Work with the client and other services to determine the service provision requirements

1.2 Negotiate collaborative working arrangements for all services involved

1.3 Develop a plan to identify all available services, their appropriateness, timeframes and expected outcomes

1.4 Work with the services to agree coordination requirements and boundaries
### ELEMENT

**PERFORMANCE CRITERIA**

*Elements define the essential outcomes.*  
*Performance criteria specify the level of performance needed to demonstrate achievement of the element.*
