Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks:

- observed and questioned at least one client and their family and documented information relevant to the developmental status of the client
- confirmed client's developmental status prior to delivering services
- identified variations from normal development status and recognised and referred potentially serious issues in line with organisational requirements
- identified potential factors responsible for significant variations from normal developmental status and determined an appropriate response in terms of:
 - appropriate referral and reporting in line with organisational requirements
 - provision of appropriate services
- referred to or sought assistance from an appropriate person or authority in relation to variations from normal functioning
- complied with mandatory reporting requirements where appropriate.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. These include knowledge of:

- detailed aspects of human development throughout the lifespan, including:
 - physical
 - psychological
 - cognitive
 - social
 - affective
- attachment theory
- key factors that may impact on the individual at identified stages of human development and their potential effects, e.g. the impact of trauma
- legal obligations, particularly in relation to child protection and elder abuse issues
- appropriate range of referral sources and associated protocols
- awareness of own values and attitudes and their potential impact on clients
- indicators of significant issues including:
 - child abuse (i.e. different types of child abuse)
 - abuse, neglect or harm including self-harm
 - domestic and family violence
 - elder abuse
- organisational standards, policies and procedures.

Assessment Conditions

Skills must be demonstrated in the workplace.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs)

2015/AQTF mandatory competency requirements for assessors
