Application

This unit describes the skills and knowledge required to provide person-centred services to people with disability with complex or special support needs under the supervision of a relevant professional.

This unit applies to workers in varied disability contexts. Work performed requires a range of well developed, person-centred skills where some discretion and judgement is required and workers will take responsibility for their own outputs.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.
