| Release 1 | This version was released in CHC Community Services Training Package release 1.0 and meets the requirements of the 2012 Standards for Training Packages. |
|           | Significant changes to elements and performance criteria. |
|           | New evidence requirements for assessment, including volume and frequency requirements. |

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- checked and maintained compliance in an education and care service, including:
  - interpreting and applying the requirements outlined in the National Quality Framework in at least one education and care service
  - facilitating a self-assessment process in at least one education and care service
- developed at least one quality improvement plan, including:
  - documenting and checking information for accuracy and completeness
  - consulting with at least one other educator or service coordinator to review the plan
- performed the activities outlined in the performance criteria of this unit during a period of at least 120 hours of work in at least one regulated education and care service.
Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role.

These include knowledge of:

- how to access:
  - the National Quality Framework
  - the National Quality Standards
  - the relevant approved learning framework
- how to interpret the relevance of framework and standards documents in guiding work in this unit of competency
- other legislation, standards and regulations relevant to the children’s services industry
- processes for engaging stakeholders in the planning and consultation stages of quality assurance
- support systems, including government and non-government consultants, resources and personnel
- best-practice principles and emerging trends in service delivery area.
Assessment Conditions

Skills must be demonstrated in a regulated education and care service.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessment must ensure use of:
- National Quality Framework for Early Childhood Education and Care
- the relevant approved learning framework under the National Quality Framework for Early Childhood Education and Care.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
