| Release 1 | This version was released in *CHC Community Services Training Package release 1.0* and meets the requirements of the New Standards for Training Packages.  
Significant changes to elements and performance criteria.  
New evidence requirements for assessment, including volume and frequency requirements. |
### Application

This unit describes the knowledge and skills required to support students with different developmental issues to participate in classroom and other school activities.

This unit applies to education support work in a variety of contexts and the work is to be undertaken with appropriate guidance, support and supervision by a nominated teacher or other education professional.

*No licensing, legislative or certification requirements apply to this unit at the time of publication.*

### Elements and Performance Criteria

<table>
<thead>
<tr>

Foundation Skills

The foundation skills described those required skills (language, literacy and numeracy) that are essential to performance.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Specifies different work environments and conditions that may affect performance. Essential operating conditions that may be present (depending on the work situation, needs of the candidate, accessibility of the item, and local industry and regional contexts) are included.

Range is restricted to essential operating conditions and any other variables essential to the work environment.

Education environments may include:

- Government school (pre-primary, primary and secondary)
- Private/non-government school (pre-primary, primary and secondary)
- Education centre
- Kindergarten
- Special educational centre
- Community educational centre

Unit Mapping Information

No equivalent unit.
