ELEMENT

Elements define the essential outcomes.

PERFORMANCE CRITERIA

Performance criteria specify the level of performance needed to demonstrate achievement of the element.

3. Support student literacy

3.1 Use appropriate strategies to support literacy program under the guidance of the teacher

3.2 Encourage and support students to become independent, literate learners

3.3 Support the accurate use of literacy conventions and processes

3.4 Monitor literacy program

3.5 Provide feedback and evaluation of student progress to teacher

3.6 Identify correct storage and retrieval of confidential records

Foundation Skills

The foundation skills described those required skills (language, literacy and numeracy) that are essential to performance.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Specifies different work environments and conditions that may affect performance. Essential operating conditions that may be present (depending on the work situation, needs of the candidate, accessibility of the item, and local industry and regional contexts) are included.

Range is restricted to essential operating conditions and any other variables essential to the work environment.
Education environment may include:
- Government school (pre-primary, primary and secondary)
- Private/non-government school (pre-primary, primary and secondary)
- Education centre
- Kindergarten
- Special education centre
- Community education centre
