Application

This unit describes the skills and knowledge required by education support workers to work with teachers to support students in pre-primary, primary and secondary to develop literacy skills, including oral language, reading and writing skills.

The unit provides skills and knowledge to enable education support workers to work with the teacher to develop resources to reinforce literacy skills across the curriculum and to support students during various phases in the acquisition of literacy competence.

This unit applies to education support work in a variety of contexts and the work is to be undertaken with appropriate guidance, support and supervision by a nominated teacher or other education professional.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.

Elements and Performance Criteria

ELEMENT

PERFORMANCE CRITERIA

Elements define the essential outcomes.

Performance criteria specify the level of performance needed to demonstrate achievement of the element.

1. Encourage and model spoken 1.1 Identify and use a variety of styles of verbal

ELEMENT**PERFORMANCE CRITERIA**

Elements define the essential outcomes.

Performance criteria specify the level of performance needed to demonstrate achievement of the element.

language

communication
