Application

This unit describes the skills and knowledge required to understand and work with individuals and groups with complex needs when participating in planning for leisure and health service provision.

This unit applies to workers in a range of community services contexts who provide leisure and health services.

*The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.*

Elements and Performance Criteria

**ELEMENT**

1. Participate in profiling specific client needs

**PERFORMANCE CRITERIA**

1.1 Determine specific client issues, characteristics and symptoms

1.2 Identify the impact of any issues, characteristics and symptoms on participation in leisure

1.3 Determine a range of strategies and modifications that will enable the client to maximise their participation in leisure and recreation programs
