CHCMHS012 Provide support to develop
wellness plans and advanced directives**

Release: 1

Assessment Requirements for CHCMHS012 Provide support to develop wellness plans and advanced directives

Modification History

Release	Comments
Release 1	This version was released in <i>CHC Community Services Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages. New unit.

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- worked collaboratively with 3 different people with mental illness to create and implement a wellness plan
- developed at least 1 advanced directive

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the work role. This includes knowledge of:

- legal and ethical considerations (international, national, state/territory, local) for wellness plans and advanced directives, and how these are applied in organisations and individual practice:
 - codes of practice
 - discrimination
 - dignity of risk
 - duty of care
 - human rights
 - informed consent
 - mandatory reporting
 - practice standards
 - privacy, confidentiality and disclosure
 - policy frameworks

- records management
- rights and responsibilities of workers, employers and individuals accessing the service
- specific legislative requirements for advanced directives
- work role boundaries – responsibilities and limitations
- work health and safety
- values and principles of the mental health sector, including:
 - recovery
 - recovery oriented practice
 - health promotion and prevention
 - holistic approach
 - empowerment/disempowerment
 - access and equity
 - early intervention
 - rights
 - social justice and inclusion
 - citizenship
- purpose and limitations of wellness plans and advanced directives
- different types and formats of wellness plans particularly those which have been designed and developed by people who have experienced mental illness
- various formats for advanced directives
- purpose of statements of capacity
- role and requirements for witnesses
- community, support and mental health services
- services for people experiencing mental distress, unwellness and crisis

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modelling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
