| Release 1 | This version was released in <i>CHC Community Services Training Package release 1.0</i> and meets the requirements of the 2012 Standards for Training Packages. Changes to elements and performance criteria. New evidence requirements for assessment. |

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be demonstrated evidence that the candidate has completed the following tasks at least once:

- regarded functions and powers of key legal agencies and processes relating to child protection
- identified and analysed issues children may have within the legal system
- sought out the most appropriate legal options for one child and their family in consultation with other agencies as appropriate
- liaised with support agencies in identifying the most appropriate support options
- consulted with the child and family to identify most appropriate legal options and support systems.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the

task outlined in elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role.

These include knowledge of:

- roles and responsibilities of key legal bodies within child protection systems
- legislation relevant to child protection work and support systems
- powers, orders and processes relating to key legal bodies in child protection
- legal options available to children and families
- roles and functions of support agencies and processes
- organisation standards, policies and procedures.

Assessment Conditions

Skills must be demonstrated in the workplace.

In addition, simulations and scenarios must be used where the full range of contexts and situations cannot be provided in the workplace or may occur only rarely. These are situations relating to emergency or unplanned procedures where assessment in these circumstances would be unsafe or is impractical.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
