Assessment Requirements for CHCPRT029 Work within a practice framework

Release: 1

Assessment Requirements for CHCPRT029 Work within a practice framework

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- source and critique at least three different practice frameworks or standards
- use results of the above to reflect on own practice and identify at least one professional improvement.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- frameworks and standards for professional practice from Commonwealth and State or Territory governments and peak bodies relevant to job role
- trauma informed practice and domestic and family violence informed practice
- methods for self-development and ongoing professional education:
 - clinical supervision
 - mentoring and coaching
 - job rotation
 - training
- reflective practice principles
- the principles of critical enquiry and action research.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated environment.

Simulated assessment environments must simulate the real-life working environment where these skills and knowledge would be performed, with all the relevant equipment and resources of that working environment.

Assessment must ensure:

- access to facilities, equipment and resources that reflect real working conditions and model industry operating conditions and contingencies
- access to organisational standards, policies and procedures
- frameworks and standards for professional practice from Commonwealth and State or Territory governments and peak bodies.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
