CHCSAC007 Develop and implement play and leisure experiences in school age care

Release: 1

CHCSAC007 Develop and implement play and leisure experiences in school age care

Modification History

Release 1. CHCSAC007 Develop and implement play and leisure experiences in school age care supersedes and is not equivalent to CHCSAC002 Develop and implement play and leisure experiences in school age care.

Application

This unit describes the performance outcomes, skills and knowledge required to identify, plan, implement and evaluate play and leisure experiences for children participating in school age care.

This unit applies to educators who work in regulated school age education and care services according to established policies and procedures. They may at times work alone without onsite supervision.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.

No occupational licensing, certification or specific legislative requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

School Age Education and Care

Unit Sector

Children's Education and Care

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.

1. Identify play and leisure interests of children in school age care.
 - 1.1. Identify children's interests, ideas, knowledge, strengths, culture, abilities and skills based on observation and interactions with children.
 - 1.2. Read children's records and identify relevant information for planning experiences.
 - 1.3. Identify and review suitable experiences relevant to children's interests.
 - 1.4. Confirm individual children's support and guidance needs with families, colleagues and child.
2. Plan experiences.
 - 2.1. Plan experiences based on information gathered in consultation with children, families and other stakeholders.
 - 2.2. Select activities and resources that promote access, equity, diversity and inclusion of all children in the service.
 - 2.3. Determine operational arrangements for experiences and assess feasibility within budgets and timeframes.
 - 2.4. Develop flexible implementation plans that suit a variety of contexts and respond to contingencies.
 - 2.5. Identify and include evaluation strategies in the planning process.
 - 2.6. Document experience plans according to service policies and procedures and relevant legislative requirements.
3. Implement school age care experiences.
 - 3.1. Set up environments for leisure and play according to the experience plan and adapt where necessary to reflect changing interests and needs of children.
 - 3.2. Follow service safety policies and procedures in implementing experiences.
 - 3.3. Select experiences based on children's expressed interests, service requirements and resource availability.
 - 3.4. Identify changing needs and adapt experiences accordingly.
 - 3.5. Respond to and manage implementation difficulties, promptly seeking support where necessary.
4. Evaluate experiences.
 - 4.1. Use reflection and evaluation strategies during and after experiences and use outcomes for future plan development.
 - 4.2. Prepare evaluations on experiences using critical reflection according to service policies and procedures.

Foundation Skills

Foundation skills essential to performance in this unit, but not explicit in the performance

criteria are listed below.

SKILLS	DESCRIPTION
Reading skills to:	• interpret service policies and procedures.
Writing skills to:	• record information according to service policies and procedures.
Oral communication skills to:	• interact and engage with children to build rapport • ask open and closed questions and actively listen to seek information and confirm understanding.
Numeracy skills to:	• interpret numerical information in relation to budgets and timeframes.
Problem-solving skills to:	• select appropriate responses to implementation issues.
Technology skills to:	• document experience plans using digital media.

Unit Mapping Information

Release 1. CHCSAC007 Develop and implement play and leisure experiences in school age care supersedes and is not equivalent to CHCSAC002 Develop and implement play and leisure experiences in school age care.
