| Release 1 | This version was released in *CHC Community Services Training Package release 2.0* and meets the requirements of the 2012 Standards for Training Packages.  
Significant changes to performance criteria  
New evidence requirements for assessment including volume and frequency requirements |

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- provided support services to 3 groups of recently arrived migrants and refugees  
- identified, supported and prioritised the needs of 2 clients or client groups demonstrating signs of trauma, and referred to appropriate specialist support services

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- legal and ethical considerations (national, state/territory, local) relevant to settlement services and how these are applied in organisations and individual practice:  
  - privacy, confidentiality and disclosure  
  - mandatory reporting  
  - conflict of interest and maintaining professional boundaries  
  - discrimination  
  - access and equity  
  - codes of practice  
- the impact of forced migration on the family and the impact of changed roles within the family  
- availability of resources and assistance within, and external to, the organisation, including relevant referral networks and how to access their services
• strategies for worker to maintain their own well being and to support well being of colleagues and clients
• time management and stress management techniques
• impact and relevance of trauma and vicarious trauma

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions. Where simulation is used, it must reflect real working conditions by modeling industry operating conditions and contingencies, as well as, using suitable facilities, equipment and resources.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
