**Release 1**

# CHCSS00119 Out of School Hours Care Skill Set

## Modification History

Release 1. Out of School Hours Care Skill Set supersedes and is not equivalent to CHCSS00059 Middle childhood Skill Set.

## Description

This skill set provides the skills and knowledge to work in out of school hours care services.

## Pathways Information

Achievement of these units provides credit towards the qualification CHC50221 Diploma of School Age Education and Care within the CHC Community Services Training Package.

## Licensing/Regulatory Information

No occupational licensing, certification or specific legislative requirements apply to this skill set at the time of publication. However, a Working with Children Check is a standard workplace requirement for those individuals undertaking work placements.

## Skill Set Requirements

Unit code	Unit title
CHCSAC006	Support children to participate in school age care
CHCSAC007	Develop and implement play and leisure experiences in school age care
CHCSAC008	Work collaboratively and respectfully with school age children
CHCSAC009	Support the holistic development of children in school age care

## Target Group

This skill set is for individuals who have prior experience in an education and care setting and wish to obtain specific skills to work in an out of school hours care setting.

## Suggested words for Statement of Attainment

These units of competency from the CHC Community Services Training Package provide a set of skills for undertaking work in an out of school hours care setting.
