CPCCOM1017 Prepare simple construction sketches

Modification History

Release 1   This version first released with CPC Construction, Plumbing and Services Training Package Release 5.0.

New unit.

Application

This unit specifies the skills and knowledge required to produce simple preliminary sketches for basic construction work. These sketches, often sketched freehand and in pencil, are used to illustrate the size and form of a simple design solution or brief.

The unit is suitable for those with basic skills and knowledge undertaking routine work tasks under the direction of more experienced workers.

Completion of the general construction induction training program specified by the model Code of Practice for Construction Work is required for any person who is to carry out construction work. Achievement of unit CPCCWHS1001 *Prepare to work safely in the construction industry* meets this requirement.

No licensing, legislative or certification requirements apply to this unit.
