CPCCSP3003 Apply trowelled texture coat finishes

Release: 3

CPCSP3003 Apply trowelled texture coat finishes

Modification History

- Release 3 Updated reference to general construction induction training program.
- Release 2 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.1.
Minor edits to formatting in Element and Performance Criteria.
- Release 1 This version first released with CPC Construction, Plumbing and Services Training Package Release 5.0.
Supersedes and equivalent to CPCSP3003A Apply trowelled texture coat finishes. Updated to meet the Standards for Training Packages 2012.

Application

This unit specifies the skills and knowledge required to mix and apply trowelled texture coat finishes.

A person working at this level would be expected to take responsibility for organising and completing tasks assigned to them, without close supervision.

Completion of the general construction induction training program specified by the model Code of Practice for Construction Work is required for any person who is to carry out construction work. Achievement of unit *CPCWHS1001 Prepare to work safely in the construction industry* meets this requirement.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

CPCWHS2001 Apply WHS requirements, policies and procedures in the construction industry.

Unit Sector

Plastering

Elements and Performance Criteria

Elements describe the essential outcomes.

Performance criteria describe what needs to be done to demonstrate achievement of the element.

- | | | |
|--|-----|--|
| 1 Plan and prepare to apply trowelled texture coat finishes. | 1.1 | Read and interpret work instructions and plan sequence of work. |
