

# **CPC31011** Certificate III in Solid Plastering

Release: 3

## CPC31011 Certificate III in Solid Plastering

### **Modification History**

Version Comment

- 1 Revised qualification deemed equivalent to CPC31011
- 2 Core and elective units revised resulting in a number of unit identifier changes
- 3 Update superseded imported units from elective list with equivalent current unit for:
  - BSBSMB301A to BSBSMB301
  - BSBSMB406A to BSBSMB406

This version released with CPC08 Version 9.3.

### **Description**

This qualification provides a trade outcome in solid plastering in the residential and commercial construction industry.

Occupational titles may include:

Plasterer.

The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as a specialist field of work.

The construction industry strongly affirms that training and assessment leading to recognition of skills must be undertaken in a real or very closely simulated workplace environment and this qualification requires all units of competency to be delivered in this context.

Completion of the general induction training program specified by the National Code of Practice for Induction Training for Construction Work (ASCC 2007) is required before entering a construction work site. Achievement of unit CPCCOHS1001A covers this requirement.

Employability skill	Industry/enterprise requirements for this qualification include:
	machines  • Performs tool and equipment maintenance as required

## **Packaging Rules**

To achieve this qualification, the candidate must demonstrate competency in:

- 20 units of competency:
  - 15 core units
  - 5 elective units.

A maximum of one of the five required elective units may be substituted by selecting relevant units of competency from any Certificate III or IV construction qualification or qualification in another endorsed Training Package.

Some units in this qualification may have prerequisite requirements, which must be met when packaging the qualification. Users are referred to the list of CPC08 units with prerequisite unit requirements available in this Training Package for this purpose.

#### Core units

CPCCCM1012A	Work effectively and sustainably in the construction industry
CPCCCM1013A	Plan and organise work
CPCCCM1014A	Conduct workplace communication
CPCCCM1015A	Carry out measurements and calculations
CPCCCM2001A	Read and interpret plans and specifications
CPCCCM2006B	Apply basic levelling procedures
CPCCCM2008B	Erect and dismantle restricted height scaffolding
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry

Approved Page 6 of 8

#### Solid plastering field of work

CPCCPB3012A	Cut and fix paper-faced cornices
CPCCSP2001A	Handle solid plastering materials
CPCCSP2002A	Use solid plastering tools and equipment
CPCCSP2003A	Prepare surfaces for plastering
CPCCSP3001A	Apply float and render to straight and curved surfaces
CPCCSP3002A	Apply set coats
CPCCSP3004A	Restore and renovate solid plasterwork

#### **Elective units**

#### Specialist plastering field of work

CPCCSP3003A	Apply trowelled texture coat finishes
CPCCSP3005A	Install pre-cast decorative mouldings
CPCCSP3006A	Install cast plaster blockwork
CPCCSP3007A	Apply plaster by projection machine

#### **General electives**

BSBSMB301	Investigate micro business opportunities
BSBSMB406	Manage small business finances
CPCCCM2007B	Use explosive power tools

Approved Page 7 of 8

CPCCCM2010B	Work safely at heights
CPCCCM3001C	Operate elevated work platforms
CPCCCO2013A	Carry out concreting to simple forms
CPCCPB3026B	Erect and maintain trestle and plank systems
