Imported elective units updated to current releases.
- Release 2 This version first released with CPP Property Services Training Package Release 4.1
Replace superseded core unit CPCCOHS1001A Work safely in the construction industry with core unit CPCCWHS1001 Prepare to work safely in the construction industry.
- Release 1 This version first released with CPP Property Services Training Package Release 3.0.
Replaces superseded equivalent CPP20112 Certificate II in Surveying and Spatial Information Services.

Qualification Description

This qualification applies to those undertaking pre-vocational programs, or entering the workforce and working under close supervision and possibly assisting in simple surveying or spatial information services activities. They can operate in the field and may use a computer to assist in collecting, storing and retrieving basic spatial data.

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of endorsement.

This qualification is suitable for an Australian apprenticeship pathway.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

8 units of competency:

- 4 core units
- 4 elective units.

The elective units must ensure the integrity of the AQF alignment and contribute to a valid, industry-supported vocational outcome and are to be chosen as follows:

- all 4 units may be chosen from the elective units listed below
- up to 2 units may be chosen from other Certificate II or III qualifications in CPP, or another current Training Package or accredited course, provided they do not duplicate the outcome of another unit chosen for the qualification.

Core units

CPCCWHS1001	Prepare to work safely in the construction industry
CPPSIS2012	Assist in collecting basic spatial data
CPPSIS2013	Store and retrieve basic spatial data
CPPSIS3011	Produce basic maps

Elective units

BSBSUS211	Participate in sustainable work practices
CPPCMN3006	Provide effective client service
CPPSIS2015	Assist with surveying and spatial field activities
CPPSIS2016	Assist with load transfers
ICTICT101	Operate a personal computer
ICTICT102	Operate word-processing applications
ICTICT105	Operate spreadsheet applications
ICTICT210	Operate database applications
ICTICT214	Operate application software packages
ICTICT221	Identify and use specific industry standard technologies
RIISTD201D	Read and interpret maps
