**Assessment Requirements for
CPPACC4012 Conduct outdoor recreation
area access audits**

Release: 1

Assessment Requirements for CPPACC4012 Conduct outdoor recreation area access audits

Modification History

Release 1 This unit first released with CPP Property Services Training Package Release 14.0.

Supersedes and is equivalent to CPPACC4012A Conduct an outdoor recreation area access audit. Minor change to unit title.

Unit updated to meet the Standards for Training Packages 2012.

Performance Evidence

To demonstrate competency, a candidate must meet the elements and performance criteria of this unit by conducting access audits of two different outdoor recreation areas.

Knowledge Evidence

To be competent in this unit, a candidate must demonstrate knowledge of:

- Commonwealth, state and territory legislation, regulations and standards relevant to outdoor recreation area access audits:
 - anti-discrimination and disability discrimination
 - Disability (Access to Premises - Buildings) Standards 2010 under the Disability Discrimination Act 1992 (or their successors) - known as the Access to Premises Standards
 - principles of universal design
 - privacy and confidentiality
- interpersonal communication strategies used to effectively relate to people from a range of social, cultural and ethnic backgrounds and with a range of physical and cognitive abilities
- methods for assessing outdoor recreation area access for people with disability:
 - measurements and calculations used to determine provisions for access
 - types of outdoor recreation areas and purpose of access audits
 - car parking and provisions for designated accessible parking
 - minimum requirements of outdoor recreation area spaces
- negotiation techniques
- purpose and content of outdoor recreation area audit checklists
- strategies that can be used to address areas of access non-compliance associated with outdoor recreation area
- types of disability and limitations that each disability places on an individual's ability to access the environment

- workplace requirements for conducting outdoor recreation area access audits:
 - documentation and records administration
 - format and content of:
 - client contractual arrangements
 - outdoor recreation area access audit reports
 - quality
 - site access arrangements
 - work health and safety (WHS) including personal protective equipment (PPE)
 - work role boundaries – responsibilities, limitations and professional abilities.

Assessment Conditions

Assessors must meet the requirements for assessors contained in the Standards for Registered Training Organisations.

Assessment must be conducted in the workplace or a simulated workplace using realistic conditions, materials, activities, responsibilities, procedures, safety requirements and environmental considerations.

Candidates must have access to documentation, tools and equipment, outdoor recreation areas and technologies required to achieve the performance criteria and performance evidence.
