Assessment Requirements for CPPCLO3045 Clean high-touch surfaces

Assessment Requirements for CPPCLO3045 Clean high-touch surfaces

Modification History

Release	Comment
Release 1	Replaces superseded non-equivalent CPPCLO3044A Clean using steam sanitising techniques. This version first released with CPP Property Services Training Package Version 4.
Release 2	Minor update to typo in the Knowledge Evidence, replace 'distilling' with 'diluting'. This version released with CPP Property Services Training Package Version 5.

Performance Evidence

A person demonstrating competency in this unit must satisfy the requirements of the elements, performance criteria, foundation skills and range of conditions of this unit.

The person must also clean five of the following high-touch surfaces:

- computer keyboards and mouse
- desks
- dining tables
- door handles
- hand railings
- light switches
- nappy change tables
- reception counters
- telephone receivers.

In doing the above work, the person must:

- identify site hazards and control risks before commencing cleaning tasks
- select and prepare cleaning solutions and equipment required for the task
- ensure surfaces are completely free of all soil types.

Knowledge Evidence

A person demonstrating competency in this unit must demonstrate knowledge of:

- application and limitation of different cleaning solutions

- cleaning techniques for nappy change tables
- processes for preventing cross-contamination while cleaning, including:
  - application and use of colour-coded cleaning equipment
  - sequence cleaning tasks to ensure hygiene and efficiency
  - maintenance and storage of cleaning equipment
- processes for maintaining personal hygiene to minimise spread of infection and germs
- safe handling techniques for working with hazardous chemicals, including:
  - emergency chemical spill control measures
  - routes of entry and potential symptoms of exposure to chemicals
  - safe methods for diluting chemicals
  - working according to safety data sheets (SDS).

Assessment Conditions

The following must be present and available to learners during assessment activities:

- equipment:
  - cleaning equipment as listed in the range of conditions
  - personal protective equipment (PPE) as listed in the range of conditions
- materials:
  - cleaning solutions as listed in the range of conditions
- specifications:
  - Safe Work Australia regulations and guidelines
  - SDS
- physical conditions:
  - suitable venue with access to high-touch surfaces listed in the range of conditions
- relationships with team members and supervisor:
  - work may be conducted alone or as part of a team.

Timeframe:

- as specified by the task.

Assessor requirements

As a minimum, assessors must satisfy the assessor requirements in the Standards for Registered Training Organisations (RTOs) current at the time of assessment.
