# CPPDSM4085 Handle strata community funds held on trust

## Modification History

Release 1.

New unit of competency.

This version first released with CPP Property Services Training Package Version 5.

## Application

This unit of competency specifies the outcomes required to handle strata community funds received from clients that are held on trust. It includes identifying procedures for handling strata community funds held on trust, processing funds held on trust received from clients, and reporting discrepancies.

The unit supports the work of those involved in handling moneys held on trust. It applies to strata managers.

Licensing, legislative, regulatory or certification requirements apply to this unit in some States and Territories. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.
