Assessment Requirements for CPPINV3034 Organise and operate surveillance vehicles

Release: 1

Assessment Requirements for CPPINV3034 Organise and operate surveillance vehicles

Modification History

Release 1 This version first released with CPP Property Services Training Package Release 9.0.

Supersedes and is equivalent to CPPSEC3031A Organise and operate a surveillance vehicle. Updated to meet the Standards for Training Packages

Performance Evidence

To demonstrate competency, a candidate must meet the performance criteria of this unit by organising and operating a surveillance vehicle that is fit-for-purpose, to conduct three different surveillance operations.

Knowledge Evidence

To be competent in this unit, a candidate must demonstrate knowledge of:

- workplace policies and procedures that ensure compliance with legislative and regulatory requirements when operating surveillance vehicles:
 - legislative requirements and authorisations required for organising and operating surveillance vehicles
 - legislative restrictions on the use of recording devices
 - road and traffic laws in jurisdiction of operation
 - work health and safety requirements
- codes of conduct and types of investigative behaviours that are unethical, illegal or represent misconduct
- factors impacting the selection and suitability of surveillance vehicles:
 - curtains
 - number plates
 - paint style and colour
 - radio antennas
 - roof racks
 - sporting and trades accessories
 - wheel covers
 - window tinting
- methods for conducting pre-operational checks to ensure surveillance vehicles are safe and roadworthy
- surveillance techniques using a vehicle:

- in front of another vehicle
- following from behind another vehicle
- vehicle consumables and spares and surveillance equipment and stores used when operating surveillance vehicles:
 - consumables and spares:
 - brake fluid
 - fuel
 - tyres
 - water
 - equipment:
 - binoculars
 - camera
 - communications equipment
 - global positioning system
 - infrared
 - laptop computer
 - mirrors
 - monopod or tripod
 - personal protective equipment
 - power inverter
 - recording devices
 - telephoto lens
 - vehicle
 - video camera
 - stores:
 - changes of clothing
 - disguises
 - food, water and toilet fittings
 - props.

Assessment Conditions

Assessors must meet the requirements for assessors contained in the Standards for Registered Training Organisations.

All individuals engaged by an RTO for investigations licensing purposes must hold the licence for performing the investigations activities for which the individual is providing training or assessment. Regulators may impose other assessor conditions to meet jurisdictional assessment requirements.

Assessment must be conducted in the workplace or in a simulated workplace environment. Candidates must have access to:

- work instructions and associated documentation, surveillance vehicle and equipment, stores, parts and consumables required to achieve the performance evidence.
