Assessment Requirements for CPPSEC5004 Develop security risk management plans

Release: 1

Assessment Requirements for CPPSEC5004 Develop security risk management plans

Modification History

Release 1 This version first released with CPP Property Services Training Package Release 9.0.

Supersedes and is equivalent to CPPSEC5004A Prepare security risk management plan. Updated to meet the Standards for Training Packages.

Performance Evidence

To demonstrate competency, a candidate must meet the performance criteria of this unit by developing and documenting two security risk management plans that meet the requirements of clients with different risk management requirements.

Knowledge Evidence

To be competent in this unit, a candidate must demonstrate knowledge of:

- legislative and regulatory requirements that apply when developing security risk management plans:
 - key requirements of legislation, regulations and codes of conduct for security risk management in the jurisdiction of operation
 - legal rights and responsibilities of employers, supervisors and employees associated with work health and safety and duty of care
 - licensing requirements in the security industry
 - trespass and removal of persons
 - use of force
- application of integrated security measures including physical security, manpower, security technologies and security of personnel and information
- distinction between information and intelligence and methods for validating information sources
- activities to be included in action plans for security risk management
- implications for security risk management arising from:
 - *National Guidelines for the Protection of Places of Mass gathering from Terrorism*
 - *Active Armed Offender Guidelines for Crowded Places*
 - *Improvised Explosive Device Guidelines for Crowded Places*
 - *Chemical Weapon Guidelines for Crowded Places*
 - *Hostile Vehicle Guidelines for Crowded Places*
- methods for determining the type, nature and causes of potential and actual security risks

- methods for distinguishing between acceptable and unacceptable security risks
- methods for prioritising security risks and treatment options based on degree of risk
- methods for testing treatment options in the field
- process and application of dynamic risk assessment and risk management methods
- purpose of *Australia's Strategy for Protecting Crowded Places from Terrorism* and understanding of:
 - definition of crowded places
 - key security issues for crowded places
 - objectives, characteristics and identification of active armed offenders
 - definition of hostile vehicles and methods of attack
 - signs of chemical weapons attack and recommend response
 - general features of improvised explosive devices and recommended incident response
- recognised industry practice and application of *ISO 31000:2018 Risk management – Guidelines* (ISO 31000) when designing security risk management strategies and treatment options
- types of treatment options appropriate to the range of security risks and threats to various client operating environments:
 - assets
 - buildings
 - crowded places
 - mass gatherings.

Assessment Conditions

Assessors must meet the requirements for assessors contained in the Standards for Registered Training Organisations.

All individuals engaged by a licensed RTO for security licensing purposes must hold both a security trainers licence (where such a licence exists within the relevant jurisdiction) and the licence for performing the security activities for which the individual is providing training or assessment. Regulators may impose other assessor conditions to meet jurisdictional assessment requirements.

Assessment must be conducted in the workplace or in a simulated workplace environment. Candidates must have access to:

- legislation, regulations and codes of practice that apply to developing security risk management plans in the jurisdiction of operation
- client instructions and operating environment information, resources and information technologies required to achieve the performance evidence
- ISO 31000
- *National Guidelines for the Protection of Places of Mass gathering from Terrorism*
- *Australia's Strategy for Protecting Crowded Places from Terrorism*
- *National Guidelines for the Protection of Places of Mass gathering from Terrorism*
- *Active Armed Offender Guidelines for Crowded Places*

- *Improvised Explosive Device Guidelines for Crowded Places*
- *Chemical Weapon Guidelines for Crowded Places*
- *Hostile Vehicle Guidelines for Crowded Places.*
