Due to the high proportion of electives required by this qualification, the industry/enterprise requirements described above for each Employability Skill are representative of the property industry in general and may not reflect specific job roles. Learning and assessment strategies for this qualification should be based on the requirements of the units of competency for this qualification.

This table is a summary of Employability Skills that are typical of this qualification and should not be interpreted as definitive.

Packaging Rules

Packaging rules

To achieve recognition at the Diploma level, the candidate must demonstrate competency in a total of twenty-six units comprising:

- six core units
- a minimum of four and a maximum of ten common units
- a minimum of eight and a maximum of sixteen elective units chosen from the options below.

A minimum of eight of the electives must be taken from the property sales and management units within the Certificate IV in Property Services (Real Estate). The remaining electives may be chosen from:

- the specialist or common units in the Certificate IV in Property Services (Real Estate)
- the Certificate IV in Property Services (Stock and Station Agency)
- any Diploma or Advanced Diploma qualification in CPP07 Property Services Training Package
- any Diploma qualification in BSB07 Business Services, RTE03 Rural Production or FNS04 Financial Services Training Packages, provided that the units do not duplicate units in CPP07 Property Services Training Package.

All units must contribute to a valid, industry-supported vocational outcome.
