# **CPPSS00041 Test and Maintain Fixed Fire Extinguishing Systems Skill Set**

**Release 2**

# **CPPSS00041 Test and Maintain Fixed Fire Extinguishing Systems Skill Set**

## **Modification History**

Editorial correction to Skill Set  
Outcome unchanged.

## **Description**

Not applicable.

## **Pathways Information**

Completion of these units provides credit towards CPP20511 Certificate II in Fire Protection Inspection and Testing and CPP30811 Certificate III in Fire Protection Inspection and Testing.

This skill set meets the full licensing requirements of the Extinguishing Agent Handling Licence: Fixed System Testing and Maintenance.

## **Licensing/Regulatory Information**

Not applicable.

## Skill Set Requirements

CPPCMN2002A	Participate in workplace safety arrangements
CPPFES2003A	Safely move loads and dangerous goods
CPPFES2006A	Prepare for installation and servicing operations
CPPFES2025A	Inspect, test and maintain gaseous fire-suppression systems
CPPFES2043A	Prevent ozone depleting substance and synthetic greenhouse gas emissions
CPPFES2047A	Inspect and test control and indicating equipment
CPPFES3046A	Decommission gaseous agent containers and actuators

## Target Group

This skill set is for people who test and maintain a gaseous fire extinguishing system (fire protection equipment), including to:

- a test actuation release systems; and
- b disconnect and reconnect actuation devices (mechanisms); and
- c disconnect and reconnect any interconnections to other gaseous systems containers; and
- d disconnect and reconnect ancillary equipment connections from containers to manifold and pipework; and
- e test actuation devices (mechanisms); and
- f perform any tests and maintenance on any Fire Detection and Alarm System, including any remote operation panel and actuation and control system that interfaces with or forms part of a gaseous fire extinguishing system; and
- g perform any tests and maintenance on gaseous agent containers and ancillary equipment connections from containers to manifold and pipework.

Note: This licence does not entitle the licensee to perform in situ liquid level testing that does not involve any of the actions in paragraphs (a) to (f).

## **Suggested words for Statement of Attainment**

These units from CPP07 Property Services Training Package meet industry requirements for testing and maintaining fixed fire extinguishing systems.

## **Custom Content Section**
