CSCDOG008 Assess dogs for custodial purposes

Release: 1

CSCDOG008 Assess dogs for custodial purposes

Modification History

Release 1. This is the first release of this unit of competency in the CSC Correctional Services Training Package Release 3.0

Application

This unit involves the skills and knowledge required to assess dogs for custodial purposes.

It includes the skills required to identify the organisational purpose for assessing dogs, recording information about dogs and assessing dogs for recruitment suitability.

This unit applies to those working in a custodial environment as a dog handler. A person undertaking this unit would usually work autonomously using support from mostly familiar resources. The role requires complex task organisation and analytical skills to assess dogs for custodial purposes.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies, procedures and guidelines must be consulted and adhered to.

Statutory/legislative requirements apply to this unit and may vary across states and territories. Users are required to check with the relevant jurisdiction for current requirements.
