CSCSAS025 Contain incidents that jeopardise safety and security

Release: 1

CSCSA.S025 Contain incidents that jeopardise safety and security

Modification History

Release 1. This is the first release of this unit of competency in the CSC Correctional Services Training Package Release 5.0

Application

This unit describes the skills and knowledge required to respond to and contain incidents that jeopardise safety and security.

This unit applies to those working in detention centres, correctional centres or prisons, community corrections offices, justice administration offices and on work sites where detainees, prisoners or offenders are under statutory supervision.

An individual undertaking this role works independently with support to perform routine tasks in a moderate range of familiar and less familiar contexts. The role requires teamwork, communication, and simple inferencing skills.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to security.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

Safety and security

Unit Sector

Not applicable.

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes.
