Qualification Description

This qualification reflects the role of individuals who use wide-ranging analytical, technical, creative, conceptual and managerial skills in their chosen field in the music industry. Their knowledge base may be specialised or broad. These individuals are sometimes accountable for group outcomes.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Nil

Packaging Rules

Total number of units = 15

4 core units plus

11 elective units of which:

- 8 units must be selected from the electives listed below, with no more than 2 units from Group D
- 3 units may be selected from the remaining electives or any currently endorsed training package qualification or accredited course at Diploma level or above.

This qualification can provide for specialisations. To achieve these specialisations, the following additional packaging rules must be adhered to:

- For specialisation in Performance, 6 elective units must be selected from Group A.
• For specialisation in Composition, 6 elective units must be selected from Group A and include a minimum of 4 CUAMCP units.
• For specialisation in Sound Production, 6 elective units must be selected from Group B.
• For specialisation in Music Business, 6 elective units must be selected from Group C.

Refer to the Implementation Guide for details about choosing electives to support specialisations.

Elective units must be relevant to the work environment and the qualification, maintain the integrity of the AQF alignment and contribute to a valid vocational outcome.
