## Assessment Requirements for CUAACT401 Use a range of acting techniques in performance

### Modification History

Release	Comments
Release 2	This version released with CUA Creative Arts and Culture Training Package version 2.0. Updated assessment conditions section. Updated modification history section to reflect changed name of training package.
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 1.0.

### Performance Evidence

Evidence of the ability to:

- develop improvisation skills
- create a convincing character
- analyse and interpret texts for performance
- successfully perform a character role using appropriate acting and vocal techniques.

Note: If a specific volume or frequency is not stated, then evidence must be provided for each of the above points at least once.

### Knowledge Evidence

To complete the unit requirements the individual must:

- demonstrate a basic knowledge of:
  - historical, social and cultural significance of drama and theatre
  - historical and contemporary playwrights and their texts
  - health and safety requirements associated with performance
  - stage and acting terminology
- in the context of performing as an actor, explain:
  - principles of group dynamics
  - key acting principles and techniques
  - how different vocal techniques affect audiences
  - common theatre conventions
  - relationship between performers and audiences

- how kinaesthetic awareness applies to performing
- how aspects of stagecraft relate to performers.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- rehearsal and performance venues, such as studios, theatre spaces and outdoor settings
- relevant resources and equipment.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
