# Assessment Requirements for CUACNM403 Work with cultural material

## Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

## Performance Evidence

Evidence of the ability to:

- source cultural material for display or exhibition
- consult, in a culturally sensitive and effective manner, with relevant community representatives about the display of cultural material
- develop agreements for the use of cultural material and record them where required
- undertake activities preparing for the display of cultural material in a logical and efficient manner and demonstrating knowledge of cultural protocols and practices
- move, store, display, maintain and return cultural material in a manner consistent with established cultural protocols.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- identify appropriate storage methods for cultural material that is unsuitable or forbidden for exhibition or display
- identify copyright, moral rights and intellectual property issues with particular reference to cultural material
- outline cultural protocols and appropriate consultation methods for the:
  - exhibition of cultural material in the relevant community context
  - identification, movement, storage and maintenance of cultural material in the relevant community context
  - negotiation of community permission to use cultural material.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in creative arts industry environments. The assessment environment must include access to:

- cultural material, or information on material when access is not available
- information about cultural protocols.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.

Assessment must ensure involvement in the assessment process of persons approved by appropriate persons or custodians of the relevant community.
