Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

Application

This unit describes the skills and knowledge required to consolidate basic tap dance technique and to achieve a greater depth of expression in dance classes and performances.

The unit applies to those who are pursuing a career in musical theatre and other contexts where tap dancing skills are required. It applies to those preparing for performances in commercial and community settings where they would usually be performing as members of an ensemble. At this level work is normally supervised, though some autonomy and judgement can be expected within established parameters.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
