**Release: 1**

# Assessment Requirements for CUADIG518 Refine digital art techniques

## Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package Version 5.0.

## Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- create at least two different pieces of professional digital media work.

In the course of the above, the candidate must:

- research and evaluate digital media techniques that can be applied to own style
- evolve and refine use of digital media techniques through experimentation and document how experiments have informed own work
- produce digital artwork that demonstrates developing expertise and individual style and shows a command of selected digital media techniques
- evaluate own performance and techniques and identify one or more opportunities for own creative practice.

## Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- relationship between digital media technique, particular effects and ideas in the work of applicable artists and in the context of own practice
- different information sources that support research in digital media techniques
- historical and contemporary influences applicable to refining digital art techniques
- intellectual property considerations applicable to producing digital media works
- key safety requirements for digital media work.

## Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- equipment, materials and tools to produce digital media work
- applicable information sources.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational educational and training legislation, frameworks and/or standards.
