Application

This unit describes the performance outcomes, skills and knowledge required to establish an effective learning environment and to use safe and effective dance and movement teaching methods.

This unit applies to teachers or instructors in dance schools or studios. It also applies to people responsible for teaching movement skills for recreational or remedial purposes.

At this level, teachers and instructors are responsible for the output of others and usually work without supervision. They may be delivering lessons based on a specific syllabus, learning program or set of teaching resources prepared by others. Alternatively, they may be conducting classes which are not based on a particular syllabus.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
