CUAIND201 Develop and apply creative arts industry knowledge

Modification History

Release	Comments
Release 1	This version first released with CUA Creative Arts and Culture Training Package version 2.0.

Application

This unit describes the skills and knowledge required to develop and apply basic creative arts industry knowledge to industry practices, including industry structures and operations, employment obligations and opportunities, the impact of new technology, and identification of industry laws and regulations.

It applies to individuals who perform a range of mainly routine tasks under direct supervision and are required to apply basic creative arts industry knowledge.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Industry Capability – Industry Context
